<b>Committee of the Whole Item Number: 3</b>	<b>Date:</b> February 14, 2012
<b>Common Council Item Number: 3</b>	
<b>Submitted By:</b> Kevin Lahner, City Administrator and Connie Wilson, Director of Public Works	<b>Subject:</b> Resolution authorizing the issuance and sale of \$2,044,276 in Waterworks System Revenue Bonds.

### Details:

This item approves the closing of the Safe Drinking Water Fund loan through the State of Wisconsin Department of Natural Resources. The loan will fund all costs associated with the installation of the radium removal systems at Wells #9 and #10. Additionally, the cost of upgrading the lift station and associated wastewater work is also covered under this loan. The interest rate on the loan is 2.2 percent. Under the Safe Drinking Water Fund Loan program, \$227,142 of the principal will be forgiven.

The wells have been constructed and are being placed in operation. The sewer system upgrade will be starting this month.

**Options & Alternatives:** The Common Council could deny this loan closing. Doing so would directly impact the Water Fund account and deplete Water Fund operating income. The loan application and well construction was previously approved by the Common Council.

**Financial Remarks:** The loan is for \$2,044,276 payable over 20 years. The debt service payment will be approximately \$127,000 per year. Of the amount bonded, \$227,142 of the principal is being forgiven under the Safe Drinking Water Fund Loan program. The net cost, after principal forgiveness, is \$1,817,134.

### Executive Action:

This item is for discussion at the February 14, 2012 Committee of the Whole meeting and due to the timeliness it is placed on tonight's Common Council meeting for consideration.

Interest on the Bonds shall be payable commencing on May 1, 2012 and semiannually thereafter on May 1 and November 1 of each year. The Bonds shall not be subject to redemption prior to maturity except as provided in the Financial Assistance Agreement.

The schedule of maturities of the Bonds is found to be such that the amount of annual debt service payments is reasonable in accordance with prudent municipal utility practices.

Section 4. Form, Execution, Registration and Payment of the Bonds. The Bonds shall be issued as registered obligations in substantially the form attached hereto as Exhibit A and incorporated herein by this reference.

The Bonds shall be executed in the name of the Municipality by the manual signatures of the Mayor and City Clerk, and shall be sealed with its official or corporate seal, if any.

The principal of, premium, if any, and interest on the Bonds shall be paid by the Municipal Treasurer, who is hereby appointed as the Municipality's Bond Registrar.

Both the principal of and interest on the Bonds shall be payable in lawful money of the United States of America by the Bond Registrar. Payment of principal of the final maturity on the Bond will be payable upon presentation and surrender of the Bond to the Bond Registrar. Payment of principal on the Bond (except the final maturity) and each installment of interest shall be made to the registered owner of each Bond who shall appear on the registration books of the Municipality, maintained by the Bond Registrar, on the Record Date and shall be paid by check or draft of the Municipality and mailed to such registered owner at his or its address as it appears on such registration books or at such other address may be furnished in writing by such registered owner to the Bond Registrar.

Section 5. Security for the Bonds. The Bonds, together with interest thereon, shall not constitute an indebtedness of the Municipality nor a charge against its general credit or taxing power. The Bonds, together with interest thereon, shall be payable only out of the Debt Service Fund hereinafter created and established, and shall be a valid claim of the registered owner or owners thereof only against such Debt Service Fund and the revenues of the System pledged to such fund, on a parity with the pledge granted to the holders of the 2011 Bonds. Sufficient revenues are hereby pledged to said Debt Service Fund, and shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the 2011 Bonds, the Bonds and any Parity Bonds as the same becomes due.

Section 6. Funds and Accounts. In accordance with the Act, for the purpose of the application and proper allocation of the revenues of the System, and to secure the payment of the principal of and interest on the 2011 Bonds, the Bonds and Parity Bonds, certain funds of the System which were created and established by an ordinance adopted on March 17, 1964 are hereby continued and shall be used solely for the following respective purposes:

- (a) Waterworks System Operation and Maintenance Fund (the "Operation and Maintenance Fund"), which shall be used for the payment of Current Expenses.
- (b) Waterworks System Revenue Bond and Interest Special Redemption Fund (the "Debt Service Fund"), which shall be used for the payment of the principal of, premium, if any, and interest on the 2011 Bonds, the Bonds and Parity Bonds as the same becomes due. The Reserve Account continued by the 2011 Resolution within the Debt Service Fund is not pledged to the payment of principal of or interest on the Bonds and moneys in the Reserve Account shall under no circumstances be used to pay principal of or interest on the Bonds.
- (c) Waterworks System Depreciation Fund (the "Depreciation Fund"), which shall be used to provide a proper and adequate depreciation account for the System.
- (d) Waterworks System Surplus Fund (the "Surplus Fund"), which shall first be used whenever necessary to meet requirements of the Operation and Maintenance Fund including the one month reserve, the Debt Service Fund, including the Reserve Account, and the Depreciation Fund. Any money then remaining in the Surplus Fund at the end of any Fiscal Year may be used only as permitted and in

the order specified in Section 66.0811(2), Wis. Stats. Money thereafter remaining in the Surplus Fund may be transferred to any of the funds or accounts provided in this section.

Section 7. Application of Revenues. After the delivery of the Bonds, the Gross Earnings of the System shall be deposited monthly to the funds listed below in the following order of priority and in the manner set forth below:

- (a) to the Operation and Maintenance Fund, in an amount equal to the estimated Current Expenses for such month and for the following month (after giving effect to available amounts in said Fund from prior deposits);
- (b) to the Debt Service Fund, an amount equal to one-sixth (1/6) of the next installment of interest coming due on the 2011 Bonds, the Bonds and any Parity Bonds then outstanding and an amount equal to one-twelfth (1/12) of the installment of principal of the 2011 Bonds, the Bonds and any Parity Bonds coming due during such Bond Year (after giving effect to available amounts in said Fund from accrued interest, any premium or any other source) and any amounts required by the 2011 Resolution to fund the Reserve Account; and
- (c) to the Depreciation Fund, an amount determined by the Governing Body to be sufficient to provide a proper and adequate depreciation account for the System; and
- (d) to the Surplus Fund, any amount remaining after the monthly transfers required above have been completed.

Transfers to the Operation and Maintenance Fund, the Debt Service Fund, the Depreciation Fund and the Surplus Fund shall be made monthly not later than the tenth day of each month, and such transfer shall be applicable to monies on deposit as of the last day of the month preceding. Any other transfers and deposits to any fund required or permitted by subsection (a) through (d) of this Section, except transfers or deposits which are required to be made immediately or annually, shall be made on or before the tenth day of the month. Any transfer or deposit required to be made at the end of any Fiscal Year shall be made within sixty (60) days after the close of such Fiscal Year. If the tenth day of any month shall fall on a day other than a business day, such transfer or deposit shall be made on the next succeeding business day.

It is the express intent and determination of the Governing Body that the amounts deposited in the Debt Service Fund shall be sufficient in any event to pay the interest on the 2011 Bonds, the Bonds and any Parity Bonds as the same accrues and the principal thereof as the same matures, and to meet reserve requirements.

Section 8. Deposits and Investments. The Debt Service Fund shall be kept apart from monies in the other funds and accounts of the Municipality and the same shall be used for no purpose other than the prompt payment of principal of and interest on the 2011 Bonds, the Bonds and any Parity Bonds as the same becomes due and payable. All monies therein shall be deposited in special and segregated accounts in a public depository selected under Chapter 34, Wisconsin Statutes and may be temporarily invested until needed in legal investments subject to the provisions of Section 66.0603(1m), Wisconsin Statutes. The other funds herein created (except the Waterworks System SDWLP Project Fund) may be combined in a single

account in a public depository selected in the manner set forth above and may be temporarily invested until needed in legal investments subject to the provisions of Section 66.0603(1m), Wisconsin Statutes.

Section 9. Service to the Municipality. The reasonable cost and value of services rendered to the Municipality by the System by furnishing water services for public purposes shall be charged against the Municipality and shall be paid in monthly installments as the service accrues, out of the current revenues of the Municipality collected or in the process of collection, exclusive of the revenues derived from the System; that is to say, out of the tax levy of the Municipality made by it to raise money to meet its necessary current expenses. The reasonable cost and value of such service to the Municipality in each year shall be equal to an amount which, together with other revenues of the System, will produce in each Fiscal Year Net Revenues equivalent to not less than the annual principal and interest requirements on the 2011 Bonds, the Bonds, any Parity Bonds and any other obligations payable from the revenues of the System then outstanding, times the greater of (i) 110% or (ii) the highest debt service coverage ratio required with respect to any obligations payable from revenues of the System then outstanding. However, such payment out of the tax levy shall be subject to (a) approval of the Public Service Commission, or successors to its function, if applicable, (b) yearly appropriations therefor, and (c) applicable levy limitations, if any; and neither this Resolution nor such payment shall be construed as constituting an obligation of the Municipality to make any such appropriation over and above the reasonable cost and value of the services rendered to the Municipality and its inhabitants or to make any subsequent payment over and above such reasonable cost and value.

Section 10. Operation of System; Municipality Covenants. It is covenanted and agreed by the Municipality with the owner or owners of the Bonds, and each of them, that the Municipality will perform all of the obligations of the Municipality as set forth in the Financial Assistance Agreement.

Section 11. Additional Bonds. The Bonds are issued on a parity with the 2011 Bonds as to the pledge of revenues of the System. No bonds or obligations payable out of the revenues of the System may be issued in such manner as to enjoy priority over the Bonds. Additional obligations may be issued if the lien and pledge is junior and subordinate to that of the Bonds. Parity Bonds may be issued only under the following circumstances:

(a) Additional Parity Bonds may be issued for the purpose of completing the Project and for the purpose of financing costs of the Project which are ineligible for payment under the State of Wisconsin Safe Drinking Water Loan Program. However, such additional Parity Bonds shall be in an aggregate amount not to exceed 20% of the face amount of the Bonds; or

(b) Additional Parity Bonds may also be issued if all of the following conditions are met:

(1) The Net Revenues of the System for the Fiscal Year immediately preceding the issuance of such additional bonds must have been in an amount at least equal to the maximum annual interest and principal requirements on all bonds outstanding payable from the revenues of the System, and on the bonds then to be issued, times the greater of (i) 1.10 or (ii) the highest debt service coverage ratio to be required with respect to the Additional Parity Bonds to be issued or any other obligations payable from the revenues of the System then

outstanding. Should an increase in permanent rates and charges, including those made to the Municipality, be properly ordered and made effective during the Fiscal Year immediately prior to the issuance of such additional bonds or during that part of the Fiscal Year of issuance prior to such issuance, then Net Revenues for purposes of such computation shall include such additional revenues as an independent certified public accountant, consulting professional engineer or the Wisconsin Public Service Commission may certify would have accrued during the prior Fiscal Year had the new rates been in effect during that entire immediately prior Fiscal Year.

(2) The payments required to be made into the funds enumerated in Section 6 of this Resolution must have been made in full.

(3) The additional bonds must have principal maturing on May 1 of each year and interest falling due on May 1 and November 1 of each year.

(4) The proceeds of the additional bonds must be used only for the purpose of providing extensions or improvements to the System, or to refund obligations issued for such purpose.

Section 12. Sale of Bonds. The sale of the Bonds to the State of Wisconsin Safe Drinking Water Loan Program for the purchase price of up to \$2,044,276 and at par, is ratified and confirmed; and the officers of the Municipality are authorized and directed to do any and all acts, including executing the Financial Assistance Agreement and the Bonds as hereinabove provided, necessary to conclude delivery of the Bonds to said purchaser, as soon after adoption of this Resolution as is convenient. The purchase price for the Bonds shall be paid upon requisition therefor as provided in the Financial Assistance Agreement, and the officers of the Municipality are authorized to prepare and submit to the State requisitions and disbursement requests in anticipation of the execution of the Financial Assistance Agreement and the issuance of the Bonds.

Section 13. Application of Bond Proceeds. The proceeds of the sale of the Bonds shall be deposited by the Municipality into a special fund designated as "Waterworks System SDWLP Project Fund." The Waterworks System SDWLP Project Fund shall be used solely for the purpose of paying the costs of the Project as more fully described in the preamble hereof and in the Financial Assistance Agreement. Moneys in the Waterworks System SDWLP Project Fund shall be disbursed within three (3) business days of their receipt from the State of Wisconsin and shall not be invested in any interest-bearing account.

Section 14. Amendment to Resolution. After the issuance of any of the Bonds, no change or alteration of any kind in the provisions of this Resolution may be made until all of the Bonds have been paid in full as to both principal and interest, or discharged as herein provided, except: (a) the Municipality may, from time to time, amend this Resolution without the consent of any of the owners of the Bonds, but only to cure any ambiguity, administrative conflict, formal defect, or omission or procedural inconsistency of this Resolution; and (b) this Resolution may be amended, in any respect, with a written consent of the owners of not less than two-thirds (2/3) of the principal amount of the Bonds then outstanding, exclusive of Bonds held by the Municipality; provided, however, that no amendment shall permit any change in the pledge of revenues derived from the System or the maturity of any Bond issued hereunder, or a reduction in the rate of interest on any Bond, or in the amount of the principal obligation thereof, or in the amount of the redemption premium payable in the case of redemption thereof, or change the terms upon

which the Bonds may be redeemed or make any other modification in the terms of the payment of such principal or interest without the written consent of the owner of each such Bond to which the change is applicable.

Section 15. Defeasance. When all Bonds have been discharged, all pledges, covenants and other rights granted to the owners thereof by this Resolution shall cease. The Municipality may discharge all Bonds due on any date by irrevocably depositing in escrow with a suitable bank or trust company a sum of cash and/or bonds or securities issued or guaranteed as to principal and interest of the U.S. Government, or of a commission, board or other instrumentality of the U.S. Government, maturing on the dates and bearing interest at the rates required to provide funds sufficient to pay when due the interest to accrue on each of said Bonds to its maturity or, at the Municipality's option, if said Bond is prepayable to any prior date upon which it may be called for redemption, and to pay and redeem the principal amount of each such Bond at maturity, or at the Municipality's option, if said Bond is prepayable, at its earliest redemption date, with the premium required for such redemption, if any, provided that notice of the redemption of all prepayable Bonds on such date has been duly given or provided for.

Section 16. Rebate Fund. Unless the Bonds are exempt from the rebate requirements of the Internal Revenue Code of 1986, as amended (the "Code"), the Municipality shall establish and maintain, so long as the Bonds and any Parity Bonds are outstanding, a separate account to be known as the "Rebate Fund." The sole purpose of the Rebate Fund is to provide for the payment of any rebate liability with respect to the Bonds under the relevant provisions of the Code and the Treasury Regulations promulgated thereunder (the "Regulations"). The Rebate Fund shall be maintained by the Municipality until all required rebate payments with respect to the Bonds have been made in accordance with the relevant provisions of the Code and the Regulations.

The Municipality hereby covenants and agrees that it shall pay to the United States from the Rebate Fund, at the times and in the amounts and manner required by the Code and the Regulations, the portion of the "rebate amount" (as defined in Section 1.148-3(b) of the Regulations) that is due as of each "computation date" (within the meaning of Section 1.148-3(e) of the Regulations). As of the date of this Resolution, the provisions of the Regulations specifying the required amounts of rebate installment payments and the time and manner of such payments are contained in Sections 1.148-3(f) and (g) of the Regulations, respectively. Amounts held in the Rebate Fund and the investment income therefrom are not pledged as security for the Bonds or any Parity Bonds and may only be used for the payment of any rebate liability with respect to the Bonds.

The Municipality may engage the services of accountants, attorneys or other consultants necessary to assist it in determining the rebate payments, if any, owed to the United States with respect to the Bonds. The Municipality shall maintain or cause to be maintained records of determinations of rebate liability with respect to the Bonds for each computation date until six (6) years after the retirement of the last of the Bonds. The Municipality shall make such records available to the State of Wisconsin upon reasonable request therefor.

Section 17. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the Municipality and the owner or owners of the Bonds, and after issuance of any of the Bonds no change or alteration of any kind in the provisions of this Resolution may be made, except as provided in Section 14, until all of the Bonds have been paid in full as to both principal and interest. The owner or owners of any of the Bonds shall have the right in addition

to all other rights, by mandamus or other suit or action in any court of competent jurisdiction, to enforce such owner's or owners' rights against the Municipality, the Governing Body thereof, and any and all officers and agents thereof including, but without limitation, the right to require the Municipality, its Governing Body and any other authorized body, to fix and collect rates and charges fully adequate to carry out all of the provisions and agreements contained in this Resolution.

Section 18. Continuing Disclosure. The officers of the Municipality are hereby authorized and directed, if requested by the State of Wisconsin, to provide to the State of Wisconsin Safe Drinking Water Loan Program and to such other persons or entities as directed by the State of Wisconsin such ongoing disclosure regarding the Municipality's financial condition and other matters, at such times and in such manner as the Safe Drinking Water Loan Program may require, in order that securities issued by the Municipality and the State of Wisconsin satisfy rules and regulations promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended and as it may be amended from time to time, imposed on brokers and dealers of municipal securities before the brokers and dealers may buy, sell, or recommend the purchase of such securities.

Section 19. Conflicting Resolutions. All ordinances, resolutions (other than the 2011 Resolution), or orders, or parts thereof heretofore enacted, adopted or entered, in conflict with the provisions of this Resolution, are hereby repealed and this Resolution shall be in effect from and after its passage. In case of any conflict between this Resolution and the 2011 Resolution, the 2011 Resolution shall control as long as any 2011 Bonds are outstanding.
